

# THE PETERSON COMPANIES

**“I was personally involved with the purchase, installation and training of the PMAS software. The system works well for us as it connects all systems with the General Ledger.**

**Would we purchase PMAS if we had to do it all over again? YES!**

**They have developed a complete package that is supported promptly.”**

***Cheryl Coffman***

**MIS Director  
The Peterson Companies  
Shawnee Mission, Kansas**
